Dear

I have on hand here these publications from your dept. which I will list below. I would like to know if you have any later editions of these copies and if so I would appreciate receiving them.

Short Wave Broadcasting Stations of the World, According to Frequency,
Oct. 1, 1946.

Long and Medium Wave Broadcasting Stations of the World, According to
Frequency May 1, 1946.

Broadcasting Stations of the World According to Country and City
July 1, 1946.

Also if you have anything else of this nature that might be of use to me.

Also can you tell me where I can get that montly list of the United States International Broadcast Station schedule. I have seen it by have been unable to get it each month.

Are you receiving my carbon copies of URDXC each month OK?

Thanking you very much for the trouble.

Very truly yours,
